

RG104 Entry 273

January 1, 1911 – June 30, 1915

Tables of Daily Coinage by Month for Each Mint
(Gold, Silver and Minor)

Note 1: Each monthly table consists of two facing pages. The left page reports gold coins delivered and the right page reports silver and minor coins delivered.

Note 2: This single volume is a continuation of Entry 271 vols. 1-3 which report daily coinage by delivery date. E-271 vols. 4-5 and E-272 report coinage by mint but only as monthly summaries.

Note 3: The cover states the date range is January 1, 1911 to December 31, 1913, however entries extend for an additional eighteen months from the printed end date.

Note 4: Semi-annual summaries appear at the end of most, but not all, June and December reports.

Note 5: Cuban coinage at the Philadelphia Mint in 1915 is reported, but in very small text. Enlarged detail images are included to improve readability.
